Save the date for this one-day conference
**Vaccine Preventable Diseases:
Ensuring Immunity in Your Community**

Monday, July 18, 2011

This conference will be held simultaneously at three locations:

Montclair State University
Burlington County College
University at Albany, SUNY

CONFERENCE FOCUS

ISSUES RELATED TO IMMUNIZATIONS IN NEW JERSEY AND NEW YORK

- Promote optimal vaccine coverage in all communities;
- Clarify challenges and solutions to vaccine exemptions in communities;
- Define legal aspects of vaccine requirements and recommendations;
- Incorporate practitioner public health preparedness core competencies to impact coverage of vaccine preventable disease in communities; and
- Highlight use of the New Jersey Immunization Information System and its rule rollout.
